
OFFSHORE DECOMMISSIONING CONFERENCE

2024 Sponsorship Opportunities

Organised by

œUK

The Event Explained

œUK

A Journey to Decommissioning Excellence will be the theme of this year's **Offshore Decommissioning Conference** hosted by OEUK on 18 - 20 November.

One of the most comprehensive decommissioning events in the industry's calendar, this event continues to be a key date for specialists to meet and discuss learnings from completed projects, the pertinent issues of the day and set the scene for the future.

Alongside a first-class conference programme, the event offers a unique opportunity for dialogue amongst the decommissioning community, with representatives from operators, contractors, SMEs, regulators and academia in attendance for networking receptions, dinners and the popular exhibition and refreshments areas.

Sponsorship Opportunities

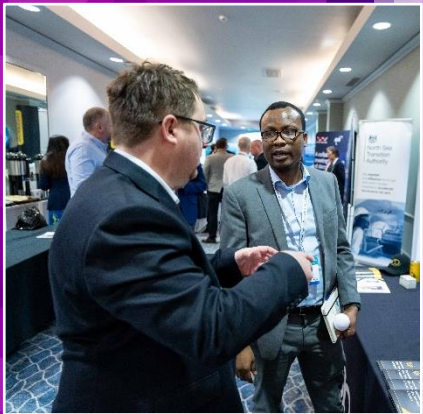

Sponsorship of the Offshore Decommissioning Conference 2024 offers your company a presence and profile at our well-regarded event. The conference will allow you the opportunity to raise awareness of your company's brand, products and services and to network with peers from across the sector.

All package prices are subject to VAT

Attendees

The event has been developed to appeal to a broad audience from the UK and across the world:

- **Operators** – leaders in senior management roles, decommissioning teams, project managers
- **Supply chain** – business development, project managers, decommissioning specialists ...
- **Energy sector** – leaders and practitioners from the wind and nuclear sectors
- **Regulators** – both from the UK and around the globe
- **Early career professionals** – broaden your knowledge and connections in the sector
- **Academia** – researchers and post-graduates from engineering, legal, geological and science disciplines.
- **Students** – considering a career in the energy sector or continuing studies around the topic
- **Media** – expand your understanding of the sector

Over 500 people joined the event in-person in 2023 and the goal this year is reach 550 attendees.
